FL residents will incur a 6% sales tax. All other States are tax free. Shipping cost +/- \$40/machine.

Included With Each Machine:

- 12" LCD Smart advertising monitor - for selling ads and walks the user through the breathalyzer process
- 400 straws - used as a clean, cheap disposable mouthpiece
- Platinum Fuel Cell Alcohol Sensor (law enforcement grade)
- Backlit LED BREATHALYZER sign: multi-colored - you set the color/animation.
- Bill Acceptor (for USA units)
- Coin Acceptor (for Non-USA units - lowers machine cost)
- Mounting template & hardware for hanging machine on a wall
- Startup Package: complete startup guides for guidance in finding/ securing locations for your machines, selling advertising (including suggested pricing, contracts for closing the deal and more), press release for getting free news stories run on your machine, access to the Member's Corner of our website and more.
- Free customer & technical support for life

BOOZELATOR® 5001 AVAILABLE UPGRADES:

- **Network Card For Remote Monitoring** – \$199 w/new machine (*recommended upgrade*) allows you to update advertising, monitor sales & straw levels all from your home or computer!
Boozelator® connects to the internet of the establishment where it is placed with this card via WiFi or Ethernet
- **Bill Stacker:** \$109 (*highly recommended upgrade for USA units*) –

Holds 600-800 bills, has a higher acceptance rate, easier to feed bills, less likely to jam and stacks bills envelope-ready for easy collection and higher security

- **15" LCD SMART Ad Monitor** – \$99 upgrade
- **19" – 32" LCD Monitor** – call for pricing and availability
- **Touchscreen:** 10 machine minimum order
- **Locking Straw Box** – \$99. Locks the straws so nobody can take one unless they purchase a breathalyzer test.
- **Credit Card Acceptor** – \$379 upgrade ([click here to see merchant account fees](#)). Update with purchase or aftermarket for the same price. Install is quick and easy.
- **Custom Upgrades:** We can add custom features for orders of 50+
- **Standard Features Of The Boozelator® 5001:** (12" LCD SMART ad monitor, fuel cell sensor, bill acceptor w/bill collector, manual straw dispenser, embedded LED Back-lit BREATHALYZER sign)
